Do you have any suggestions about how the teacher's approach could be improved?	-
	None. Although I can see him to operate stata software very well but sometimes as a international students, I still feel confused for some certain problem. I think he should slower the speed appropriately when explaining the significant problem.
What were the strengths of the teacher's approach?	Could understand my concerns, doubts and questions about the subject.The tutor was available to and addressed to all issues with clarity.
	Good communication skills, patience, a good understanding of the subject.
	Professional and patient!
	Hardworking and dedicated
	Joseph is an excellent tutor, and his tutorials are helpful to understand this course.
